B2SB RECAP

# GO DEEPER IN *Worship*

FROM THE DESK OF PASTOR DAVID C. FORBES, JR.

I want you to experience a new side of God through your worship. Real worship opens God's heart, opens your heart and opens heaven. It gears you up to receive things that are not ordinary (things from the supernatural realm).

Worship causes open-heart surgery. It compels you to change and get back on the same page with God; where you and the Holy Spirit are in agreement. David was a man after God's own heart. Why? Because he was a worshipper. David knew worship pleased God.

***"The Father seeketh such  
to worship Him."***

*"Our Father is calling us to  
go deeper with our worship."*

Our passionate worship opens God's heart to us and our hearts to His. It causes us to see God as He is. When you worship God, you become fully persuaded that anything is possible, just like Abraham was fully persuaded.

This type of worship, real worship, positions us to live under an open heaven. When heaven opens, manifestations, miracles, signs and wonders show up. That's when you know you've moved from Faith and the Anointing into the Glory – the manifested presence of God.

John 4:23-24 says, "But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship Him. God is a Spirit: and they that worship Him must worship Him in spirit and in truth."

When you worship God properly (in spirit and in truth), you loose God to work on your behalf, and you paralyze Satan. You become out of Satan's reach. Satan may try to reach for you, but he can't touch you because God builds a fence around you.

Learn how to transition from high praise to deep, genuine worship. As you do, you will experience an intimate relationship with God. Remember, the purpose of intimacy is to conceive. God is looking to manifest through you, all that He is, all that He has and all that He can do. He wants to share His secrets and revelations with you.

So today I invite you to go deeper in worship. Lift up your hands and open your mouth in thanksgiving, praise and worship to our Heavenly Father. Come into His house with explosive expectation. When we worship God on one accord, anything can happen! Let's go deeper!

## DEACONS

The Deacons are an extension of Pastor David C. Forbes, Jr. and play a vital role in caring for the saints of CCC. Whether ministering to CCC members or preaching the Word, Deacons are truly Breakthrough Believers.

### What is a Deacon?

Pastor has taught us that the term Deacon comes from the Greek root word "Diakonos" which is translated as servant, minister or administrator. The first reference in scripture to anyone operating in the capacity of a Deacon is in Acts 6:1-6, when seven men were appointed to attend to the needs of the Greek and Hebrew widows.

At CCC, Deacons are men and women. Their main purpose is to assist in partner care and administrative duties. Some of their assignments include making hospital visits, praying with members, blessing the new homes of members and caring for the widows within the CCC congregation. They also perform any other duties as assigned by Pastor Forbes.

To qualify as a Deacon, a CCC member must meet the guidelines listed in Acts 6. He or she must be full of the Holy Ghost and wisdom, and be of good reputation. Ideally, Deacons are also graduates of the Ever Increasing Life Training Center (EILTC).

***"Deacons are the backbone of CCC."***

Because of the commitment and support of Breakthrough Believers like the Deacons, Pastor Forbes is free to spend time before the Lord and receive fresh revelation, which is key to our supernatural lives.

Deacons are the backbone of CCC. Through their heart-felt serving, it is evident that they are the manifestation of Apostolic government and the Culture of Honor in action.

Saturday, August 16, 2014 was a glorious day for CCC! On a day with crystal clear blue skies, mild winds that released a cool breeze and a sun that shined its spot light on the campus of Faith Stadium, CCC held its annual Back to School Blast (B2SB). For the past decade, August has been earmarked for The Back to School Blast. B2SB is a yearly ministry outreach at CCC to impact the 43219 community.

Volunteers and vendors arrived early, setting up tents, tables and the play area, as well as laying out school supplies, and setting up the stage for the sound system. The grounds of Faith Stadium came to life as families of all races began arriving early to get their place in line to receive book bags and school supplies. For some families it was their first time at Faith Stadium. As I looked out on the crowd, the lines grew quickly and reached as far back as Agler Road!

The purpose of the B2SB is not only to give out book bags and school supplies; it is a way to impact the community with the love of Christ. As a result of this dynamic event, one hundred and thirty-one people received prayer and ten people were born again. Over 22,000 supplies were given out, as well as over 1,100 book bags. Prizes were also given away. The children laughed and played as parents found shade under the canopy. Former OSU football players signed autographs, the City of Columbus Fire Department gave fire hats to the children, and vendors onsite gave out supplies. The day proved to be a success. The needs of the people were met and God was glorified! You don't want to miss next year. The team is already underway making plans for 2015. Hope to see you there!

## Now Accepting Applications for the 2014-15 School Year

The Ever Increasing Life Training Center (EILTC) is now accepting applications for the 2014-15 school year. The Training Center is an excellent opportunity to expand your studies about who God is and experience HIM! The EILTC is not just for ministers. It's for anyone who wants to have a deeper experience with God.

The EILTC deploys an apostolic mentality, stressing the culture of honor and ensuring a deep Kingdom focus. Graduates of EILTC will be well-equipped and prepared to participate AND help lead the God take-over. EILTC will raise up a core of breakthrough believers who will be prepared to impact and advance the Kingdom of God. The Training Center is the culmination of the manifestation of the very existence of Ever Increasing Life Ministries and Columbus Christian Center Church.

Classes are held every Tuesday at Columbus Christian Center Church. **School begins September 9, 2014** immediately following Kingdom College with class orientation the first 30 minutes of class. The cost is \$325 with a discount if paid before October 20th. An affordable, monthly payment plan is available to all.

Through the completion of this program, graduates acquire the critical skills necessary to:

- \* Hear and discern the voice of God
- \* Confirm and describe their unique call and purpose in life
- \* Define their life mission statement and vision
- \* Launch, build or serve in ministry

Most importantly, students will accept the call of God to go into all the world and preach the Gospel to every creature. They will be prepared to share the Gospel everywhere they go with signs, wonders and miracles following, healing the sick, setting the oppressed free and being used by the Lord to transform the lives of many.

If you would like more information about the EILTC, stop by the Information Booth after Sunday's encounter or call the church office at (614) 416-9673.

# SHOW ME YOUR **GLORY** COLUMBUS INTERVIEWS

**Osas Agho, CCC, Columbus, Ohio**

*"I experienced the true Glory of God at Show Me Your Glory and learned how to walk in the supernatural. This experience going forward has built my wisdom of God and imparted into me my true purpose. I will now walk in the fullness that God has for me."*

**Donielle Bibby, Mt. Gilead, Indianapolis, IN**

"I heard about Show Me Your Glory Columbus from Campmeeting. While at Show Me Your Glory, I experienced a totally new side of God and a true worship experience. This experience has pushed my relationship with God even further and opened the door for me to share more of His goodness with others."

**Antonio Combs, Jr., CCC, Columbus, Ohio**

"My experience at the week-long meeting was ABSOLUTELY AMAZING!!! The praise and worship, the word, the giving/sowing all played a major role in how much got accomplished through the Holy Spirit moving during this meeting. I would definitely compare this meeting to Campmeeting in Darrow, LA, with the only difference being that this one was in our own backyard, the 43219. Receiving a fresh rhema word from Apostle Thompson was exactly what I, and probably most people in attendance, needed. Being able to walk supernaturally because we are all carriers of God's Glory really hit home. For so long I would pray and wait and pray again that my initial prayer had enough meat or substance to get done the first time. I now know that God is a Right Now God. It's not about the How, it's Now... WOW!!! All the power is in Jesus' finished work at the cross. This is a game changer. Knowing and seeing multiple attendees receive healing and being set free just adds and confirms that we are following a true man of God.

Lastly, I was able to serve with the usher ministry at all of the encounters and really got an understanding on how to flow and serve in excellence. Seeing other ministries go above and beyond set the tone for the week as well. I am thankful for the visit of Apostle Thompson and Show Me Your Glory Columbus. It definitely has changed my life and provided insight and revelation in many areas of my life."

**Leslyie, Faith Christian Center, Columbus, Ohio**

"My friend, Jean Wilcox, invited me to Show Me Your Glory. The presence of God was outstanding. There were so many revelations! Moving forward I will take with me the revelation of the word and this experience of witnessing the glory of God and living in the supernatural."

**Chloe, Columbus, Ohio**

"My aunt Ameya told me about Show Me Your Glory. I am an occasional visitor to CCC. My experience was UNBELIEVABLE! Prior to coming, I heard about the healings, but coming and hearing the live testimonies left me speechless. I know that THE GLORY of God is real!"

**Kai Turner, Columbus, Ohio**

"I heard about Show Me Your Glory from my mom. She invited me to come. I am from Brooklyn, NY, but currently live in Columbus. My sister, who came as well, had reoccurring discomfort and pain in her heel. Now she is totally healed and truly experienced her healing! I am giving GLORY to God! I will be more mindful to rely on his strength."

**Wanda Hodge, Kingdom Life, Dayton, Ohio**

"I heard about the conference at my church Kingdom Life. I was in awe at seeing all the blessings...it's hard to explain. But I'm overjoyed with the love of the word. This experience lets me know I can have that healing. Whatever I ask for I can have in HIS name."

# NUGGETS FROM THE APOSTLE

## IMPARTATION FOR TRANSFORMATION

“That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of Him.” – Ephesians 1:17

### Two Realms and Three Dimensions

- Two Realms
  1. Natural
  2. Supernatural
- If you are stuck, it is in the natural. In the supernatural, there is always acceleration over lack, sickness, disease, or anything that causes you not to live the abundant life.
  - The supernatural takes care of everything. Once you learn how to walk in the supernatural, you won't have any problems that God cannot solve.
- Three Dimensions
  1. Faith
  2. Anointing
  3. Glory
- It takes three dimensions to go from the natural to the supernatural.
- As Christians, we need to learn how to yield, cooperate, participate and respond properly to the Holy Spirit. It is in God's glory that signs, wonders and creative miracles are found. In the glory, impossible and inability must bow its knee.

### Creating an Atmosphere for Worship

- To make room for the glory is to allow praise and worship to inundate our lives. Lifting our hands as an expression of surrendering ourselves to God united with words of thankfulness and adoration to Him who loves us so much.
- Praise and worship is an invitation for a visitation by God. To praise is to seek God, to worship is to be found by Him.
- Worship is essential to entering into God's presence and the realm of His glory.

APOSTLE  
LEROY THOMPSON, SR.

SHOW ME YOUR GLORY

### **Experience the Encounter**

- We are children of a supernatural God, nothing stops Him or keeps Him from functioning.
- When you have revelation, God reveals, uncovers and unfolds something that your eyes and mind can't get to without the Holy Spirit.

### **Recognition of the Reality of Our Identity**

- Expect God to do something out of the ordinary! If you do that every time you enter into His house, you'll begin to experience things you've never experienced before.
- God is always fresh, and the quickest way into the supernatural is to pray in the spirit.

### **The Mystery of God's Glory is Hidden in the Cross**

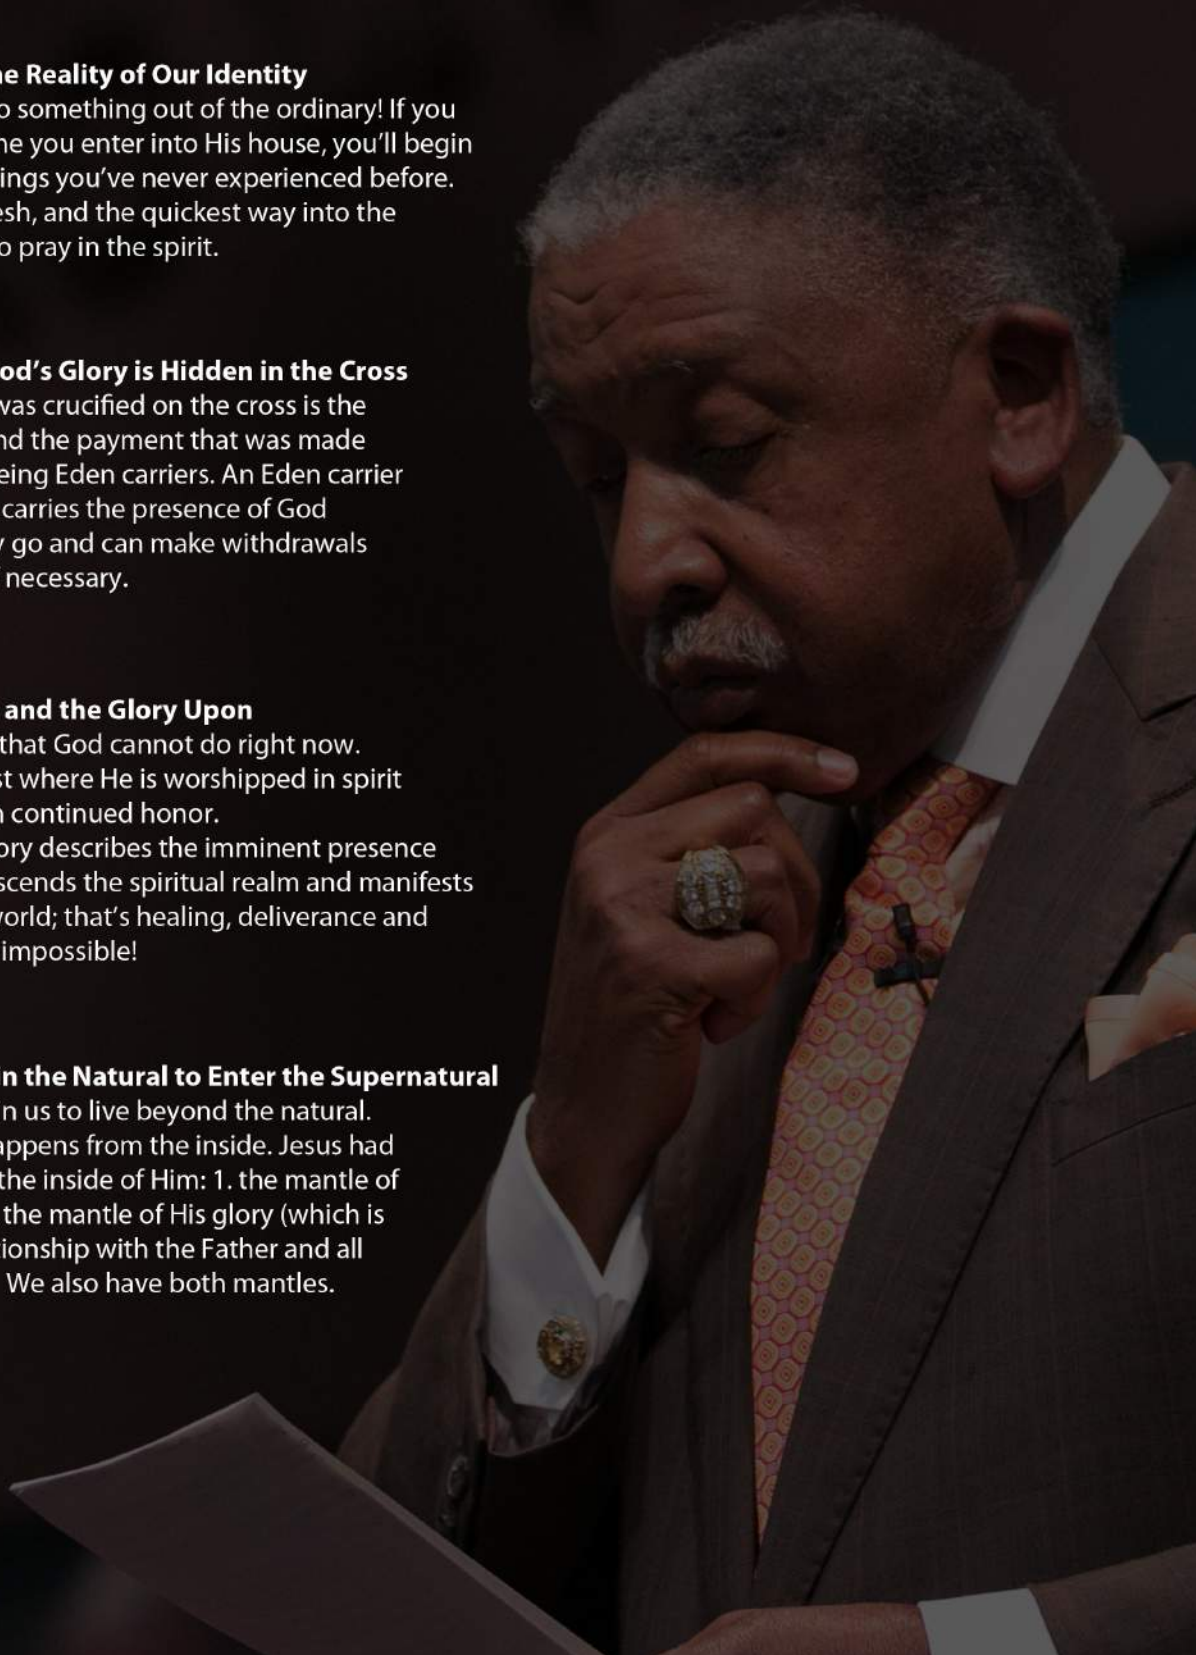

- The Christ who was crucified on the cross is the finished work, and the payment that was made got us back to being Eden carriers. An Eden carrier is someone that carries the presence of God everywhere they go and can make withdrawals supernaturally if necessary.

### **The Glory Within and the Glory Upon**

- There's nothing that God cannot do right now. God will manifest where He is worshipped in spirit and in truth with continued honor.
- The Shekinah glory describes the imminent presence of God that transcends the spiritual realm and manifests in the physical world; that's healing, deliverance and overcoming the impossible!

### **A Breakthrough in the Natural to Enter the Supernatural**

- God has placed in us to live beyond the natural. Breakthrough happens from the inside. Jesus had two mantles on the inside of Him: 1. the mantle of His anointing, 2. the mantle of His glory (which is an intimate relationship with the Father and all that He can do!) We also have both mantles.

## *Kelly Childs*

Veteran

I have been attending CCC regularly since September 2011. I was already a believer before I officially joined in January 2013.

My family and I all attend and love CCC! CCC is family oriented and I love that there are as many activities for the children as there are for adults. To me, being a partner means the church body in its entirety has the opportunity to serve in some capacity. This allows us to flow in line with Dr. Forbes' vision to increase lives with the Word of God.

I currently serve in Media as a camera operator and with the Food Initiative on Saturdays with food distribution. I have become more involved and love the change we make in our community.

It had been 2 years since I went to church before I started attending CCC. I was depressed, stressed, broken and had anxiety attacks. The teaching of Dr. Forbes was so on point that I didn't want to miss a Sunday or mid-week encounter. I didn't want to miss a thing! I have learned to trust God in all things and now I am truly happy and no longer have anxiety attacks. Dr. Forbes does not hold back any punches when teaching/preaching the Word of God because he only wants the best for you and your life. It has changed my life and the life of my family.

I AM A BREAKTHROUGH BELIEVER!!!

## *Alante Cook*

Newcomer

I was a believer before attending CCC; but after moving to the area I began visiting CCC with my cousin. It felt like home and I joined, completing the new member classes in July of 2014.

The fellowship, kindness and love I've received at CCC has been amazing. During the Show Me Your Glory encounter, I wanted to attend the encounter all week. However, I cannot drive at night so I decided to contact the church for transportation. Yvette Meeks was such a blessing! She offered to transport me to and from church all week. We later found that our homes were very close. I was thankful and grateful to meet her and her son because they really showed me what CCC members are like.

Being a member of CCC makes me feel happy. I'm not just attending church to hear the Pastor preach, but I'm receiving a teaching for myself that I am able to share with others. I can't stand back and do nothing. I have to become involved in some way because CCC is a family. I am currently not in helps ministry, however I do plan to help in an area very soon.

Joining CCC has expanded my relationship with God. I've grown spiritually and I am understanding that I can have family away from home that are like-minded and loving. Pastor Forbes is awesome and a great leader that is genuine. The first lady is very approachable also.

# Dare To be Made Whole

Dr. David C. Forbes, Sr. rocked the house on Sunday, August 31 as he encouraged the CCC family to *Dare To Be Made Whole*.

“Unwholeness is having only a part of what you’ve been promised. To be whole is to be like Christ,” shared Dr. Forbes, Sr. “A person who is whole in Christ Jesus refuses to stay with infirmities.”

“The Lord has empowered every believer to lay hands on the sick and heal them. We have the responsibility to root out sickness, illness and infirmity, and bring healing and wholeness!”

## “Get Revelation”

To reveal something means to make it known. In line with our current understanding, Merriam-Webster’s dictionary defines revelation as divine truth that is revealed by God to humans. We may ask, “Why is revelation so important?” Paul knew the importance of revelation in a believer’s life and prayed in Ephesians 1:17-18 that the glorious Father, the God of our Lord Jesus Christ, would give us a spirit of wisdom and revelation as we come to know Christ better. Then we will have deeper insight. With revelation we will know the confidence that He calls us to have and the glorious wealth that God’s people will inherit. Like Paul, we must come to know that without revelation, our understanding of who God is and what He can do on our behalf is extremely limited.

In Matthew 16, Peter boldly declares that Jesus is the promised Messiah, the Son of God. Jesus replied to his declaration by saying that only God could have revealed that truth to him, and that he, Peter, was blessed for having received it. We see in this account that as a result of Peter’s praise and worship of Jesus, revelation and blessing came. Since God doesn’t change, His spiritual laws do not change either. Like Peter, we too can receive this same blessing. High praise and deep worship open the door of our understanding to receive divine revelation. The revelation may be instructions on how to get out of a difficult situation, how to respond in the face of rejection, or simply how to walk closer with God. Regardless of the exact knowledge, the result is the same: a deeper understanding of God and a blessing for walking in our Father’s revealed truth.

Overall, revelation is vital in our relationship with God as it sets the stage for divine manifestation, the tangible evidence of God and everything He is. As God continues to move the Body of Christ into a deeper understanding of Him, revelation will be the tool used to position us closer to the Lord. High praise and deep worship open the door for revelation and manifestation. Get revelation, and get closer to God.

## SEED TRAINING

### *Nuggets*

**It is time to go Supernatural  
with our giving!**

- We should never appear before the Lord empty handed. Our seed makes room for us. (Deuteronomy 16:16-17)
- There is no such thing as a small seed! Do not sow to impress people. Sow to impress the Holy Spirit by being obedient. You’re going to live the way you sow!
- It’s time to begin treating the seed just like we do the harvest. Take the time to pray and ask for your seed.
- Pray, “Lord, increase my seed.”
- Our Faith, anointing and glory covers our finances. Faith is what gets the process started.
- Faith is a seed of glory. In order to plant faith we must say it. Increasing faith is the same as increasing the Glory. Sowing by itself does not make increase, the glory makes increase!  
**Sow, keep sowing and increase your sowing.**
